The Mount Pleasant Education Foundation, founded in 1996, is a fully-volunteer non-profit 501(c)(3) organization that exists to enhance the educational experience of the students in the Mt. Pleasant Central School District.

100% of the net proceeds raised by the Foundation for this year's 2024 SPRING BASH are used to fill grants at each school building (Hawthorne, Columbus, WMS and WHS), by purchasing enrichment items (hands-on learning tools, books, technology devices, arts and phys ed. equipment, and much more) that take our students "to the next level," but are not covered in the school district's annual budget.

I WOULD LIKE TO:
